

DANDY SULTANA PUTRA ALI

FULLSTACK DEVELOPER | WEB DEVELOPER

+6281219053552 @ dandysultana3@gmail.com linkedin.com/in/dandysultana dandysultana.com
Aceh, Indonesia

SKILLS

Laravel	PHP	ReactJS
Livewire	JavaScript	
MYSQL	HTML5	CSS3
TailwindCSS	WordPress	

MY PROJECTS

Task Collaboration Platform

Develop interactive collaboration applications using **Fullstack Laravel**, user authentication, live sharing, and role based access control.

Event Management System

Developed an event ticketing platform using the **TALL stack** with user authentication, integrated payment gateway, and admin dashboard for managing events and ticket sales.

Trip Planning App

Built a responsive and dynamic trip planning frontend using **React**. Designed an intuitive user interface that allows users to search for destinations, create travel itineraries, and manage trip details efficiently.

KEY ACHIEVEMENTS

Alibaba Cloud Certified Developer – Issued in 2024

Demonstrated expertise in cloud development and Alibaba Cloud services.

SUMMARY

Active and motivated professional specializing in the **TALL Stack**. Skilled in developing dynamic and responsive web applications with a strong foundation in both frontend and backend technologies. Proficient in **React** and **JavaScript** for building interactive user interfaces, and experienced in using **WordPress** to create and manage content-driven websites efficiently.

EXPERIENCE

Graphic Design Intern

Nanggroe Digital Printing 06/2021 - 11/2021

a company engaged in the field of poster, banner and similar design services

- Created visually appealing and high-resolution designs for brochures, flyers, business cards, and banners, ensuring alignment with the company's branding standards.
- Worked closely with clients to understand their design needs and translated their ideas into compelling and professional designs
- Ensured all designs met technical printing requirements, including color accuracy, bleed settings, and resolution, to produce high-quality output.
- Organized and managed design files and assets systematically to ensure quick and easy access for future use.
